

Nurturing your child's ^{brain} potential...from birth to 3 years

Why should you and your child attend the Born Smart Parent- Child Learning Spa?

By age 3, the brain has reached almost 90% of its adult size. The Born Smart parent-child program helps you bond with your child and promotes brain development for life.

60 minutes of bonding, at the Born Smart Learning Spa nurtures your child's motor abilities, language intelligence, socio-emotional skills and cognitive experiences.

Born Smart is available in the following formats:

1. **Website:** Experience 8 games for each month.
2. **Born Smart app:** on android and IOS.
3. **Parenting Mentor:** Dr. Vats our parenting mentor is available on our Facebook page.
4. **Born Smart Learning Spa:** 60 minutes dedicated to brain development.

India's first Parent –Child program based on brain research
